शुद्धि-पत्र / CORRIGENDUM

This has reference to the Tender published vide Ref No.: GEM/2022/B/2246496 Dated: 08.06.2022 for "Supply, Installation, Testing and Commissioning of 2 no's of Basic Layer 3 Switches of (48 Gig Ports) with 2*10 Gig ports and 8 Nos. of L2 switch with (24 Gig ports at STPI Bengaluru and sub centres (i.e. Mysuru, Hubballi and Mangaluru)".

Bidders are requested to kindly note the following changes/amendment to the tenders while participating in the bidding:-

Sl. No.	Clause No.	Existing Statement	Recommended Statement / Reasons for Change	STPI's Clarification/Response
1	V. Pre-Qualification Criteria 2. Annexure E point no 22	m) Proposed product should be registered in "Trusted Telecom Portal" of DOT, documentary evidence/Declaration letter for the same shall be submitted.	We would like to bring to your notice that as per process of Trusted Telecom Portal, OEMs are registered initially as trusted source and depending upon the product being procured, customer has to raise request in the portal to register required product which is being procured. In line to same, we request to amend the clause as, "m) Proposed OEM/ product should be registered in "Trusted Telecom Portal" of DOT, documentary evidence/ Declaration letter for the same shall be submitted." Request you to have this clause removed as this limits the technology vendors products to only a few vendors and all of them have delayed delivery timelines.	No Change
2	V. Pre-Qualification Criteria	i) Copy of IPv6 ready certificate for the proposed product from the OEM.	We understand the offered product should be duly listed on IPv6 ready portal and certificate from their website needs to be submitted.	No Change
3	Page 2 clause no 4 in Bid Document. (Preference to Make In India products (For bids < 200 Crore)	(Minimum 50% and 20% Local Content required for qualifying as Class 1 and Class 2 Local Supplier respectively)	In compliance to the DPIIT/ DoT PPP-MII order which is duly applicable on the tender, we understand form-1 as per DPIIT's approval Nodal ministry notification dated 29th August 2018 is to be submitted along with the bid to claim Class-I and Class-II local suppliers from the OEM.	No Change as per GeM terms and conditions

4	VIII. Penalties IX. SCOPE OF WORK (7. Delivery/Execution of order)	The end to end Supply, Installation & Commissioning needs to be completed within 14 weeks from the date of receipt of Purchase Order.	<p>We would like to bring to your notice that currently across industry there is a acute shortage of chipsets and hence all OEMs are struggling to meet the delivery timelines. In fact, CII Chairman has represented the entire OEM industry to ministry of commerce in regard to current challenges being faced by the industry and common lead times across industry. In line to same, we request you to amend the clause as, "The end to end Supply, Installation & Commissioning needs to be completed within 42-45 weeks from the date of receipt of Purchase Order."</p> <p>Because of acute shortage of microelectronic chips, the current minimum delivery timelines which is given by major switching vendors is 5-8 months from the date of PO , The bid delivery timelines are 2 months, the same to be kept open to accommodate for delivery up to 8 months based on the L1 vendor and after discussion with the involved technology vendor and no Late delivery charges to be levied since that is based on the vendor delivery commitment timelines</p>	<p>The Delivery/ Penalty clause is modified as follows: The end to end Supply, Installation & Commissioning needs to be completed within 120 days from the date of receipt of Purchase Order.</p>
5	Bid End Date/Time & Bid Opening Date/Time	BID Extension	Request you to extend the Bid date from 29-6-2022 by another 2 weeks time	<p>Bid End Date/Time & Bid Opening Date/Time clause is modified as follows: Bid End Date/Time & Bid Opening Date/Time on 13th July 2022.</p>

This is for your kind information.
